

Helpful Tips

- There will be no food available for sale during your school visit. Please ensure your students bring a packed lunch. There is no reason for your students to bring cash.
- This event will have many attendees! Although the site has a fully fenced perimeter, use something to identify your students, like colourful hats or armbands.
- We encourage students to bring a minimum of items, and that valuables are left at home.

To Bring

- Comfortable walking shoes
- Weather appropriate clothing
- Reusable water bottle
- Packed lunch
- Sunscreen
- Class Identifier (optional)

There will not be seating for the performances, so it may be helpful for chaperones to bring a picnic blanket for their students.

Arrival and Departure

Please adhere as closely to your arrival and departure time as possible so as to relieve congestion in the bus loading area. Our volunteer team will be happy to assist during your arrival and departure. Please follow their instructions carefully to ensure safety for everyone.

Students will receive a Festival Passport to take throughout the site. Once they have completed all of the activities in the passport, they can redeem it for a prize at our Information Desk.
